CLUB FITTING CLASSES- Simply put if you have never been fit for clubs you have a high percentage of wasting shots or creating inefficiencies in your swing. Join one of our club fitting classes or take a game changer evaluation with one of our expert coaches to have your clubs checked today.

Blast Motion/ Putter Fitting Class 4:00-6:00p.m.

This 2 hour class will teach you all about tempo in your putting stroke. Did you know that the best players in the world take .6 seconds to make a back stroke and .3 seconds to make a through stroke? Tour tempo influences a square club face at impact and allows you to make more putts.

Each person who signs up will receive a blast motion with their entry fee.

This is a class you will not want to miss!

June 14th Friday

Driver, Fairway, Hybrid, Iron and Wedge Fitting Classes 4:00-6:00p.m.

These classes offer a low student to coach ratio and will focus on a couple of items from the list above.

June 21st, July 26th & August 30th Fridays

Orange Whip/ Saber Golf Fitting Class 4:00-6:00p.m.

This class offers the best of both worlds, **TOUR TEMPO AND SPEED!** We will teach you the secrets of both and how they work together to create **POWER**. *You will receive either a custom*

Orange Whip or Saber Golf Trainer with your entry.

August 16th Friday
